

**Read the story and answer the questions.**

### **Apple Picking at the Farm**

It is autumn and the family is at the farm. This is not an animal farm. It is a fruit and vegetable farm. Today, Lauren and her brother, Tom, are picking apples. Their mother is helping them. Lauren has picked eleven apples and Tom has picked eight yellow ones. Lauren has four red apples and seven green ones.

When they go home, they will give the apples to their big sister. She is going to make them a special apple cake to celebrate their mother's birthday.

**Answer the questions.**

1. Who is picking apples at the farm? \_\_\_\_\_
2. How many apples does Lauren have? \_\_\_\_\_
3. What colour are her apples? \_\_\_\_\_

Draw her apples.

4. Who is helping Lauren and Tom?

---

5. Who will make the cake?

---

6. Why is the cake going to be special?

---

Draw the special cake.

7. Which do you like more: apple pie or apple cake? Explain your choice.

---

---

---

---
