

Anglais langue seconde - 4^e année

Écriture Voie A

Tâche

Directions

After having familiarised the student with the vocabulary about animals with different listening and reading activities, we ask them to describe an animal of their choice by following the guided model.

My animal report

A. Draw an animal of your choice.

B. Describe your animal.

My animal is a shark. Sharks live in the ocean. They are big animals and they are wild animals. They can swim very fast.

C. Write an interesting fact about your animal.

There are 465 different species of sharks.

My animal report

A. Draw an animal of your choice.

B. Describe your animal.

C. Write an interesting fact about your animal.
