**Task – The best day possible**

Imagine that your parents left for the day to go shopping. You are home alone all day. Your parents gave you the permission to invite 2 friends over. During that day you decide to do your favourite activities or hobbies. Tell me about that day.

- Who would you invite?
- Describe the people that would be with you.
- Describe which activities/hobbies you would do and how to do them.
- Use the proper vocabulary when you are talking about your activities/hobbies.
- Tell us when and where you have done your activities/hobbies.
- Tell us which activities/hobbies you liked doing and which you didn't like.

Write the things you will share with your classmates.
