Tâche

Imagine that last year you won a free trip to your favorite place (or country) in the world. Where did you go and why did you go there? Who did you bring with you? What did you bring with you and why? What was the weather like? Describe your trip and a few activities that you did.

I go to Walt Disney because I want the
fun. I go with my family, I bring the clothes
and the toys because I need to change the
clothes and I want to play. The weather
was very sunny. I was in the huge pool
with long blue water slide. I loved my
beautiful trip.
