Tâche

Imagine that you have won a free trip anywhere in the world. Where would you go and why? Who would you bring with you? What would you bring with you and why? Describe a few activities that you would do. Make sure to give lots of details.

Don't forget to use descriptive words such as adjectives and adverbs.

Hey, it is me, _____, and today, I am going to talk to you about my free trip to Africa.

So, I bet you want to know how I won a free trip to Africa. Well our school was giving away four tickets to your dream destination so I picked Africa... You could also bring four friends along with you. But how did I win this?? The school was doing a contest to see who had the most school spirit, and I won one of the tickets. The reason why I wanted to go to Africa is because I wanted to see a lot of animals. Also, I told you that I could bring four friends along with me well I picked, Chelsea and Mélanie my school friends and also my two favorite cousins Malika and Bianca.

Now you know where I went and why, who I brought

with me, but now there are a couple other things I did not talk about, like what I brought with me and why. Well I brought with me obviously, some shorts and a couple of t-shirts and sunscreen and water for safety. I was asked what the weather was like, well it was always sunny but there was this one day where the rain would not stop. We had to stay inside the resort. Talking of the resort, we were staying in a beautiful orange and blue resort in the jungle. Here are a few activities we did. Me and my friends went on a safari and we saw a bunch of animals. We visited a beach named "Silamaha" where the water was really blue, we read and we laughed it was amazing. Well that was my trip to Africa I hope you liked it as much as me and Chelsea, Melanie, Malika and Bianca did.
