The abandoned house

On my way to school, I always walk by a weird abandoned house. Today, I was walking to school, and I heard a noise coming from the house. I decided to go find what it was.

I walk into the house. The noise was getting louder and louder every step I took. I start to be scared. I was asking myself, what if the noise was coming from a mean dog?

I walk into a weird room and I found a puppy. The cute little puppy was stuck! I tried to help him, but the pieces of wood was too heavy for me. I found a knife in the kitchen, and I cut the wood. After I deliver the puppy.

That day, I miss school to take care of the puppy. My mom and I play with him all day and now,

we have a new puppy called Willy.
