Even worse, it's Friday night, you have no cell phone and your parents are away for the weekend! You are literally stuck at the zoo. Describe the events that transpire during this unique night.
2. As an astronaut for the Canadian space program, you have had the opportunity to travel to some wonderful, and sometimes scary, places. During your last posting on planet Sixzurn, you heard some strange noises coming from the equipment room of the space station. You went to investigate - describe what you found and what happened.
3. On your way to school, you always walk by an abandoned house and ask yourself what it's like in there? Today, you decide to find out. Describe your adventures.
