### My Amazingly Busy Family

Hi! My name is Katy. I'm 11 years old. I have long curly brown hair and brown eyes, and I love reading.

I'm from New-Brunswick. I live in a big house not far from Moncton.

I have a brother, parents and grandparents.

My mother, Susan, has short straight blonde hair and blue eyes. She is a kindergarten teacher. She likes to create arts and crafts projects with her students.

My father, Andrew, is a police officer. He is 39 years old. He has a mustache and big eyebrows. We go to the park every weekend. He always plays with us and helps me with my math homework.

My brother Alex is only 4 years old and he is really smart. He looks a lot like my mother. We fight sometimes, but we still enjoy playing together. He likes riding his bike and playing outside. I like to dance and spend time with my friends.

My grandparents are really old. My grandmother is 60 and my grandfather is 63. We all live together. They are very active. I love it when my grandmother bakes cookies. She is a great cook. My grandfather likes to read books to my little brother, but sometimes he can't remember where he put his glasses so I have to help him.

In the summer, we all like to go to the beach for picnics. We play ball with our dog, Roxy. We are an amazingly busy family.
