FACES: My Profile

My name is Audrey Martin. I'm 17 years old and my birthday is the 12th of September. I'm a student at Fredericton High School. I was born in Quebec, but when I was 8, we moved to New-Brunswick. I live with my father - his name is Carl Martin.

Since I'm in high school, I can learn a lot of languages. In addition to French and English, I take an online class to learn to speak Spanish. That online class really helped me when I visited Mexico last summer with my mother. I really like reading in all languages. One of my favorite books is about a futuristic society where all the teenagers control the decisions. I also love math. I'm thinking about becoming a math teacher, because math is easy for me, and I like helping others with their work and seeing them succeed.

When I have spare time, I like to watch movies or read books. My favorite ones are usually the scariest ones. I also like watching crime shows and soap operas on TV. On weekends, my friends and I work at part-time jobs, or we go skiing or to the mall. We also like to listen to music and dance. When we're tired, we don't go out - we just play games, watch movies or just hang out together. I think everyone should enjoy life like I do!

My friends would describe me as a very social person. I work in a small coffee shop, so I get to meet a lot of people. I'm rarely upset or in a bad mood. I'm usually a happy person unless somebody disrespects me or others. I can't stand people that choose to be dishonest or bullies.
