### **Écriture Voie B**

#### **Copie type de niveau 2**

##### **Justification**

L'élève communique bien ses idées mais elles sont peu développées. Son texte contient des paragraphes. Son texte a une suite logique mais le vocabulaire demeure très simple. Pour les conventions, les erreurs de grammaire, d'orthographe et de syntaxe sont nombreuses.

Le travail de l'élève débute à la page suivante.

In 2222 John Smith is an excellent astronomer he is at the coffee shop waiting his colleague from the NASA. He wanted to speak of the condition to go in space at the I.S.S to observe the galaxy. Three hours later John said yes.

Two weeks later he is waiting to get briefed, the guy said he needed to observe and study the region of the constellation of the centaur. The rocket launched John in the space. He entered the station and went to the observatory module.

It's been four long months alone in the I.S.S. He decide to contact earth. No response. he decide to contact mars for help they said they can't help but they said that the communication center on earth has burned. He demands mars to fire a big net to catch the station and bring it to mars. They accepted.
