Justification

L'élève fait des efforts pour exploiter le sujet même s'il est difficile de cerner l'idée principale du texte. Les phrases sont soit trop courtes ou très longues, ce qui fait en sorte que la compréhension est difficile. Le choix des mots simples, les nombreuses erreurs et le manque de détails rendent le texte peu organisé. L'histoire se résume à une énumération d'actions complétées par le personnage principal, ce qui nuit grandement à la compréhension.
