# My passion

In this text it will talk about my passion. My passion is art when you think about it art have alot of forme. In this text i will talk about two forme of art dance and painting.

Dance is a forme of art where you use all of your body to show your felling in some way. Like when your angry you will dance whit some more aggressive move. When your sad you will do more relaxe and fluid make. But you can also have more than one felling in your dance.

Now tell me what do you think about parting. When you parting it's not just some stupid color in a twal. It's more than that when your parting it's not you who chose the color or the forme it's your soul. Your soul chose the color and the forme with how you felling. the soul touch thi's color because that the color you have when your angry, sad, happy all of those emotions and the forme come with your emotions too. So that was two style of art i hope the text interested you.
