

Anglais langue seconde – 8^e année

Communication orale Voie B

Copie type de niveau 3

Justification

L'élève reformule les idées principales de la vidéo. Il utilise un vocabulaire et des expressions appropriés. L'élève justifie son opinion avec une raison. L'élève répond aux critères de la tâche mais avec le strict minimum et il n'élabore pas ses réponses pour structurer sa présentation informelle.

Copie type

Le travail de l'élève débute à la page suivante et voir le fichier audio.

Focus questions.

1. People in the world have more cell phones than toilets.

2. Looking at your cell phone constantly is the same as having a small child sitting on your back.

3. What are the changes to eyesight that have occurred around the world?

it is easier for people to get myopia

4. Why is your cell phone hard to put down?

it gives your brain dopamine, and tells your brain that it's fun and to keep going
