## Go-Kart and Ostrich Face Off in a Do or Die Race

1. In your own words, when and where did the story take place? Be specific.

in the day and they are racing.

2. What benefit came out of having the ostrich race against the go-kart?

The experience 18-year-old racer thought about it and then decided to test his driving skills against one of the tallest and heaviest birds in the world.

3. What clues let us know that Alex had probably raced before?

The experienced 18 year-old racer

4. Why do you think wildlife conservation experts and the SPCA were present at the race?

to make sure the bird don't attack alex cuz birds can be wild.

5. Who was interviewed by the local media?

two young videographers.

6. Why did Alex suspect he might not win?

The bird was known for two things: its love of racing and its amazing ability to run at minimum speeds of 60 Kilometers per hour. It uses its short wings for balance, holding them outstretched while it runs like the wind, leaving many of its competitors in the dust.

7. Why will Fast-Footed Freddy be racing near Alex in future races?

because they are both good.

8. If you could organize a race between two animals, which ones would you choose and why? Which animal would probably win?

I would choose a ostrich and a gazel and I think that the gazel would win.

9. Alex's hobby is racing go-karts. Share a few things about a hobby that interests you (either one that you have or one that you'd like to have).

I Like to play sports (volley ball)

I also like going in the mud and go in the dirt roads with my buggy
